

## STRUCTURE AND SOUND CERTIFICATE

I, Deputy Executive Engineer, Pri Sub Division, Bheemunipatnam Herewith certify that the building belongs to Sangamitra Educational Society, Vellanki Boddapalem village, Vellanki Gramapanchayat of Anandapuram Visakhapatnam District Mandal after verification of stability study as below:

The existing building was constructed with RCC framed structure, isolated column footing. The building consisting of ground floor, first floor and second floor only. All the RCC surfaces are well plastered along with brick masonry walls. The maintenance of the building is good enough.

I have inspected the above building with the representative correspondent of "Harbor EM high school" under Sangamitra Educational Society and observed that the physical appearance of the building is good to run the classes.
